

Scuba Seraya Resort

Just 3 km before the world renown dive destination Tulamben with its famed "Liberty" ship wreck on Bali North East coast, wedged between the sparkling water of beautiful, un-spoilt Muntig bay and the holy mountain, Gunung Agung, lies a cluster of luxurious Villas and Maisonettes. Scuba Seraya Resort sits amidst lush tropical and landscape on its private beach black volcanic sand. The Resort has been carefully designed with a sense of style.

A picturesque peaceful heaven, with thatched roofs, teak wood furnishings, marble and natural stones from across the Indonesian archipelago, it conveys the serenity of a traditional village, yet it features all modern amenities. The Scuba Seraya Resort provides a tranquil vista in a beautiful setting for quiet relaxation.
